Margie Faulk was interviewed by author Robin Flannigan at the request of the Professional Services Management Journal to address the impact of a quality, updated Employee Handbook. The article focused on how Margie, a Compliance Officer for HR Compliance Solutions, LLC, created Employee Handbooks for her clients and her experience with developing Employee Handbooks in the corporate setting.

PSMJ Resources is the world's leading authority, publisher and consultant on the effective management of architecture, engineering and construction firms. For more than 35 years, they have provided the necessary support and resources to dramatically improve the business success of the design industry worldwide.

The article actively identified how Employers should develop an Employee Handbook that is current, focused on Federal, State and Local regulations. The critical factor is to match the handbook with the company's culture, philosophy, practices and policies [Read Article](#).
